Dear Sir and Brother,

As an Executive Board member of Local 18 and candidate for the 2005 election, I recently filed a protest and appeal with Local 18 concerning the election. At the Executive Board meeting on October 22, 2005, my protest was read and responded to by Business Manager Patrick L. Sink. Letters were read from Michael Blanski and his attorney and cancelled checks from Steve DeLong were referred to. I would like a complete copy of all documents referred to in the response by Mr. Sink's.

You can fax the documents to my home at 330-339-7741 or send them directly to me. Please respond to my request within seven days.

Fraternally,

Patricia A. Kohl
